

MONTREAL 2027 — WELCOME / BIENVENUE

In Montréal, there's always something going on, and a Worldcon would fit right in with the traditional summer happenings of galas, festivals, and other events.

A small group of Montréalers proudly proposes **Montréal 2027, a bid for the 85th World Science Fiction Convention**. Come and explore our city as we highlight culture and diversity from **September 2-6, 2027** at the **Palais de Congrès de Montréal**, between the amazing **Old Port** and **Chinatown**.

If you remember us from 2009, we hope you'll support us again. If you didn't attend Anticipation, now's a great time to plan your vacation. Come to visit the city and stay for the Worldcon!

Contact us at info@montreal2027.ca or via the contact form on our website, <https://bid.montreal2027.ca/en-ca/> (at the bottom of each page). Drop us a line just to tell us how we're doing, how we can improve, or to volunteer to help out with the bid.

Thank you and we hope to see you soon!
